ORDERING TIPS

How much food should I order

We recommend one half sandwich or wrap for every guest and an additional half sandwich or wrap for half of your guest count. We'll "steer" you through it!

Plan ahead

Catering orders are ideally placed 24 hours in advance; we'll do our best to accommodate last minute orders.

Setup is everything

Our food needs to be set up in an accessible space and displayed in a way that will help everyone to see and "grab" it... it's craveable!

✓ Vegetarian ⦿ Signature Items

*Before placing your order, please inform your Tossed® Team Member or Catering Director if a guest in your party has a food allergy. Special dietary needs may be accommodated, separately packaged and labeled.
